EX PART - OR LATE FILED 02 277

ORIGINAL

Dear Commissioner Abernathy,

It is evident today and has been for sometime that the News Media is the propaganda media. The few controlling tower Masters of this media have far too much freedom to manipulate, omit, falsify and destroy our right to the truth. By removing regulations and placing control in fewer hands of this elite will only aid and abet this power structure placing the media in a much tighter monopoly. I urge you sir, to not allow this deregulation to succeed, but instead tighten the present standards restricting the expansion of the media monopoly we now have in the United States.
